

2010-2011 Bicycle Permit

To qualify for the privilege to ride your bicycle to school you must meet the criteria below:

- Students in the third, fourth and fifth grade are eligible to ride their bicycles to school.
- Students in first and second grade must ride their bicycle to and from school with a parent at all times.
- Fill out the bicycle permit below and return to the Edison school office.

We consider bike riding to school a privilege and want to assist your effort to make this a safe activity. We expect children who ride bicycles to observe all traffic and bicycle regulations. Failure to do so on school grounds may result in the loss of the privilege to ride a bicycle to school.

- Bicycle rules of the road must be followed. These rules are available from the Elmhurst Police Department.
- Be sure your child's bike is in good operating condition.
- Students must "walk" their bicycles when on school grounds during school hours.
- All bikes must be locked to the racks at school.
- The school district is not responsible for theft or vandalism to your child's bike.
- Use baskets, book racks or back packs for carrying school materials.
- Avoid riding your bicycle in bad weather or when road conditions may be hazardous.
- You are urged to consider having your child wear a bicycle helmet.

My child has my permission to ride a bicycle to school. I realize that the presence of bicycles around the school can create safety hazards. I will allow my child to ride to school only when I feel it is absolutely necessary. I am aware that if my child fails to observe traffic and bicycle regulations on school grounds, this permit may be revoked. I am also aware that the school district does not, and has no responsibility to provide supervision to my child while riding his or her bicycle to and from school.

My child is currently in either **first grade or second grade**. I understand that the presence of bicycles around the school can create safety hazards. I agree to ride my bicycle to and from school with my child each and every time they ride their bicycle to and from school.
