# Drawing Classes for kids

## at Edison Elementary

### Elementary Drawing : Grades 1 and 2

This fall in Young Rembrandts drawing class your child will learn about basic design and composition as they draw their own dollar bill. If your child is fond of sports, he or she will enjoy drawing our illustrations featuring a trophy showcase and soccer player. Good color selection and proper coloring technique will be emphasized in many of our lessons, including in the miniature portrait lesson. Besides strengthening your child's drawing and coloring skills, he or she will also learn about art history as we present lessons featuring master artists Gilbert Stuart and Picasso. Enroll your child today!

### Cartoon Drawing : Grades 3,4 and 5

Encourage your child's enthusiasm for art and help develop his or her drawing skills with a Young Rembrandts drawing class. Our cartoon drawing lessons will stoke your child's artistic fire. Your child will learn animation techniques in our anime-themed expression lesson. Your child will also learn personification as they transform ordinary cameras into fully realized cartoon characters. Learning to tell a story through a series of drawings will be the focus in our illustrations featuring a humorous drive-thru sequence and a colorful piñata sequence. Encourage your child's creativity. Enroll today!
